

# Sarah Cloherty

BEnvD

## Landscape & Urban Designer

### Biography

Motivated and inspired by nature and natural processes, Sarah brings a strong passion for environmentally conscientious design to the HB Lanarc – Golder team. Sarah strives to develop design solutions that improve the health, beauty and functionality of the spaces in which we live, work and play. Possessing a range of design education, Sarah has studied Interior Design, Graphic Design and Landscape Architecture + Urban Design. This diverse education provides Sarah with a unique perspective and skill set which she applies to her planning and design approach.
